REMARKS/ARGUMENTS

Original claims 3 and 4 have been amended to produce new amended claims that are not multiply dependent in order to reduce official fees. New claims 5-7 have been added to provide similar coverage. Once examination on the merits has begun, the Applicant may elect to amend new amended Claims 3 and 4 to make these claims multiply dependent or to add additional claims to this application to provide coverage similar to, broader than, or narrower than the present claims. These amendments have not, in any way, narrowed the claims.

Amendment of the subject application is respectfully requested.

Respectfully submitted,
